Subject: Virginia Wesleyan Athletic Hall of Fame Initiative

Dear Committee Member,

Attached, please find an Athletic Hall of Fame initiative sponsored by a concerned group of Hall of Fame Members.

We trust we will be able to engage the university in the future direction of the Virginia Wesleyan Hall of Fame. We hope to have an open and positive dialogue.

Since Bob Valvano and Greg Plummer have earlier made public announcements on this topic, they will serve as the member's primary contact.

Please provide direction on who will represent the university in this discussion.

Regards,

Bob Valvano
